CHARTING NEW TERRITORIES: LEGAL TRANSFORMATIONS FOR PROTECTING HUMAN RIGHTS IN A DYNAMIC WORLD | 2023

About the Conference

Embark on a global exploration of legal transformations at the REVA-HUME International E-Conference 2023. This event welcomes academics, scholars, professionals, and individuals from around the world to engage in inclusive interdisciplinary dialogues on legal transformations in a dynamic global context post-pandemic.

Conference Themes

Delve into thematic highlights covering a spectrum of global human rights challenges, including:

Climate Justice:

Addressing the judicial role in adjudicating climate change matters

Post-Pandemic Rights Framework:

Evaluating the efficacy of international rights frameworks

Technology and Human Rights:

Exploring implications of AI and technology on human rights

Health and Rights Intersection:

Understanding divergent interpretations in the context of health

Women's Rights in Times of Crisis:

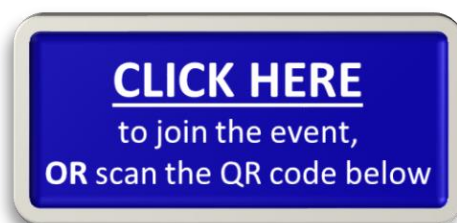

Examining the escalation of incidents during the pandemic

Special Highlights

Engage with the winners of the REVA-HUME International Essay Writing Competition 2023, as they share fresh perspectives on human rights issues globally.

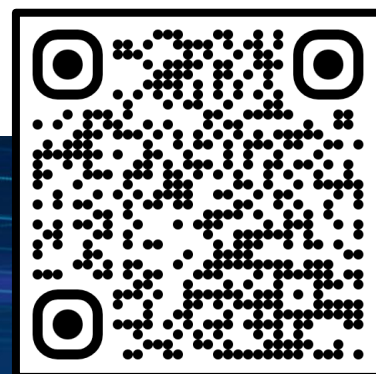

How to Join

Participate in this global event by joining our Microsoft Teams event team. Click here to join and contribute to the dialogue on global human rights challenges.

Why Attend?

- Gain insights into cutting-edge legal transformations globally
- Network with scholars, professionals, and stakeholders from around the world
- Contribute to inclusive dialogues on global human rights challenges
- Connect with the next generation of legal thinkers through the essay competition winners

CHARTING NEW TERRITORIES: LEGAL TRANSFORMATIONS FOR PROTECTING HUMAN RIGHTS IN A DYNAMIC WORLD | 2023

I ABOUT THE ORGANIZERS

The Hume Institute for Postgraduate Studies (Hume) is a higher education institution based in the Canton of Vaud, Lausanne, Switzerland, which is renowned for its excellent education, healthcare systems, and outstanding infrastructure. Situated in a leading European hub for technology and innovation, Hume is committed to furthering Switzerland's remarkable success which can be attributed to the mutual development of knowledge and technology, facilitated by the strong partnership between academia and industry. It is this environment that sets the stage for Hume's commitment to world-class learning and research in the landscape of 21st Century global education.

The Centre for Intellectual Property Rights, Strategy and Advancement (CISA) is a distinguished institution dedicated to conducting interdisciplinary research on contemporary issues surrounding intellectual property rights. Through collaboration with esteemed partners such as the Centre for Human Rights Law and Policy and the Hume Institute for Postgraduate Studies, CISA offers valuable insights and expertise to governmental and non-governmental organizations in shaping IPR development at both national and global levels. Our mission is to comprehensively comprehend the intricate nature, dynamics, and diverse domains of contemporary IPR issues, with a policy-driven approach. We actively engage with legislators and governments to advocate for the establishment of effective laws and policies to protect intellectual property rights.

The Centre for Human Rights Law and Policy (CHRLP) shares our commitment to interdisciplinary research and actively contributes to eradicating human rights violations. By contextualizing violence and discrimination as human rights violations and exploring diverse occurrences, laws, policies, and procedures, the centre works towards a comprehensive understanding of human rights dynamics. With a keen focus on both theoretical and empirical dimensions, CHRLP strives to generate valuable policy implications, advocating for appropriate legislation and policies to safeguard human rights.

CHARTING NEW TERRITORIES: LEGAL TRANSFORMATIONS FOR PROTECTING HUMAN RIGHTS IN A DYNAMIC WORLD | 2023

ORGANIZATIONAL MATTERS

How to Join:

The event will take place on Microsoft Teams. Participants can join the event group by registering via the provided link. The group includes forums for networking and general chat. Participants can join the event each day by clicking "Join" on the relevant room on the day. There will also be a Q&A session.

Presenter Information:

The presenters for the REVA-HUME International E-Conference 2023 are an integral part of this knowledge-sharing platform, and the organizers extend appreciation for their valuable contributions.

Presentation Schedule:

The conference schedule, available on the event page, outlines the specific day and time allocated for each presentation. Presenters are expected to be present for the entire panel, regardless of the individual presentation's scheduled time.

Event Platform:

All presenters are required to register via the provided link to join the event group on Microsoft Teams.

Session Timing:

Presenters are requested to join the Teams event meeting at least 5 minutes before the scheduled start time of their session to ensure a prompt commencement.

Presentation Time:

Each presenter will have an allocated time of up to 12 minutes. A notification will be given 2 minutes before the end of the allotted time.

Q&A Session:

Following the conclusion of all presentations in a panel, a dedicated time slot will be provided for questions and answers from the audience.

Visual Aids:

Presenters are encouraged to utilize visual aids, such as PowerPoint slides, by sharing their screens during the presentation. Materials should be prepared and easily accessible.

Material Sharing:

Handouts or supplementary materials can be shared in the specific Conference Room channel within the MS Teams group.

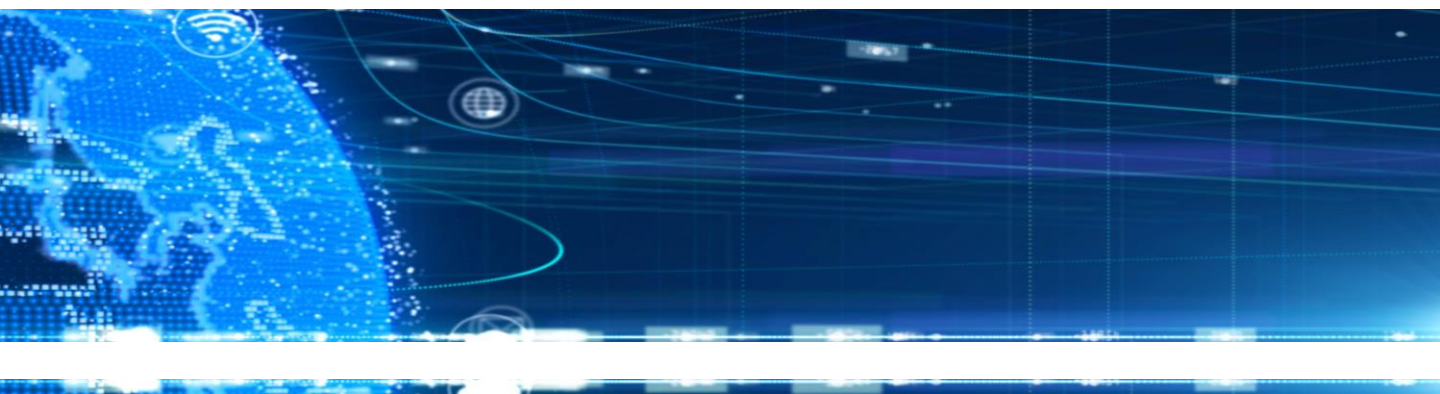

The organizers anticipate a successful and engaging conference, and they are available for any queries or assistance presenters may require. The best way to contact the organizers for assistance, particularly during the conference, is to reach out to the team in the Questions and Answers Channel in the Conference MS Teams group.
